Welcome Note

Season's Greetings & A Very Happy New Year 2022 to All the Esteemed Members of IAOMP!!

It is indeed a great pleasure for the Organizing team to invite one and all for the National Conference of Indian Association of Oral & Maxillofacial Pathologists to be held at Dehradun, Uttarakhand in the month of November 2022. We are thankful to the IAOMP Head Office & Executive committee for providing us this opportunity to host the National Conference.

This conference will be inimitable in many ways and we sincerely hope to present an assortment of scientific extravaganza and the unmatched hospitality of the hill state that will etch its place in the heart and mind of all the attendees for years to come.

With the Covid 19 pandemic playing a havoc in everyone's life in one way or the other, and the maxillofacial infections taking the centre-stage, the theme for the national conference has been decided as "Maxillofacial Infections: Evolving Paradigms". This topic has never been delved upon in the past and is important in the current prevailing scenario of the pandemic. The scientific milieu will include, Pre Conference Courses, keynote lectures, plenary talks, interactive panel discussions, slide seminars, paper and poster sessions.

This will be the first time that the National Conference of IAOMP will be held in the hill state of Uttarakhand and that will not be the only reason to visit Dehradun. Fascinating history and intriguing mythology meet at the crossroads of this beautiful hill-station. Nestled in the rolling Doon Valley and at the foothills of the Himalayas, Dehradun is surrounded by high mountains and lush Sal forests. The city is a gateway to several popular hill-stations like Nainital & Mussoorie and pilgrimage sites like Haridwar and Rishikesh and is well connected with all major cities across India through rail, road and air.

The registration and other details will follow soon. Looking forward to seeing you all in Dehradun.

*Signing off with the promise to make your time in
Dehradun worth every penny that you spend.*
